Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant has been granted a petition to revive the case from abandonment status. However, the reply does not further prosecution from a final status giving 10-21-05. The petition to revive is believed to be granted in order to be given a date for a continuation filing. The examiner could not reach James Born or anyone else associated with the petition to revive to discuss and clarify the issues for revival. Because no proper reply was submitted with the petition to revive and conversation could be made with the applicant, the case remains in abandoned form..
